

INDEX

a_w , definition, 3

Access

- allowed after due notice, 177
- application for inspection order, 177
- court petition for, 204-205
- denial, judicial remedies, 204
- denied, sworn statement, 205
- notification of right, 177
- owner agreement, 170-172, 177
- refusal, 177
- to premises and records, 191, 204-206

Accuracy, 83

Acidity. *See pH*, 11

Acknowledgments, *Preface ix*

Additives, food and color

- definition, 2
- food upon receipt, 40
- limitations, 68, 159
- sulfites, 48
- unapproved, protection from, 48

Administrative remedies, 191-204

- hearing officer's powers, 201-203

Adulterated

- definition, 2
- food condition, 35
- US Code, *See References Annex 209*

Air-drying

- equipment and utensils, 114-115
- wiping cloths, locations, 115

Air filtration, 129

Air gap. *See Backflow Prevention, Plumbing System*

Air temperature, 62, 87-88

See also Ambient temperature measuring devices

Aisles in work spaces. *See Spacing*

Alkalinity. *See pH*

Allegation of fact, response to hearing notice, 196-197

Alligator. *See Fish*

Ambient temperature measuring devices, 84

Animal foods, raw

- consumer self-service, limitations, 54
- cooking requirements, 55-58
- separation from other foods, 46-47

Animal foods, raw or undercooked, consumer advisory, 73

Animals

- commercially raised for food, 38-39, 55-56
- exotic species, limitations as food source, 39

game, 38-39, 55-56

handling by employees, prohibition and exception, 34

handwashing after handling, 30

live, prohibition and exceptions, 153-154

wild, 39, 54

Anti-slip floor coverings, 140

Appeal

dismissal, hearing officer's powers, 202

proceeding, timeliness, 198

restriction or exclusion order, 183

right to, acceptance of consent agreement as waiver, 204

denial of application for operating permit, 173

Applicant for permit to operate food establishment

information required, 169-172

qualifications, 170

Applicant, responsibility to report illness, 174

Application for operating permit

notice of denial, 173

procedure, 169-172

Application of Code

prevention of health hazards, 164

public health protection, 163-164

Approved, definition, 3

Area

adjacent to easily movable equipment, 5

behind vending machine kickplates, 83

Code subject, *Preface vii*

consumer eating and drinking, 114, 142, 154, 155

consumer shopping, 97, 135, 142, 154

designated for eating, drinking, and tobacco use,

33, 149

dining, 117, 154

distressed merchandise, 150

dressing, 148, 152

driving, 140, 145

dry storage, 142

employee restriction, 182

exposed, 142

food preparation, 142-143, 153-154

food protection, *Preface ii*

handwashing lavatory, 124-125, 141

indoor, construction material, 139-140

inspection order access. *See Compliance and*

Enforcement Annex, contents of order
